Declaration on "Facility not subcontract to prisons"

As a Business Partner to H&M, we commit to complying with the Fundamental requirements on the issues outlined in this Sustainability Commitment, and to implement them in our operations as well as aim to realize them throughout our supply chain. Furthermore, we understand that H&M has the ambition to engage and continue to grow with Business Partners that share H&M's sustainability ambition beyond mere compliance with the law to advance social and environmental sustainability, stated as HIGG INDEX.

Therefore, as a Business Partner to H&M, we agree to monitor and evaluate our contractors that they will not work with any prison. Also, we are committed that RANTEX PRIVATE LIMITED will not work with any subcontract to prison.

We recognize that this Commitment with H & M will be complied as per its Code of Conduct.
